Have you sung with any other choirs? (If 'yes', please give details)

The choir welcomes singers of a good standard. Sight reading ability would be an advantage. You are welcome to attend a few rehearsals before deciding if you would like to join the choir. An audition will then be arranged for you.

Regular attendance at the choir's rehearsals is essential. These mainly take place from 15:00 to 18:00 in Lewes on several Saturdays and Sundays prior to a concert. Occasional weekday rehearsals may be necessary. The choir performs approximately four concerts per year.
